New Grey Beige Upholstery

The second model offered by Hanse in its updated “e” series is the 470e, which shows off well the crisp deck styling and gets a real big-boat look with its flush foredeck. Anchoring gear is tucked under a hatch in the foredeck to keep it from spoiling the lines, and from snagging on lines, not that there are many for it to tangle with-the sole foresail is a self-tacking jib.
